

HUGSminutes...

Business & Planning

Along with the routine business matters (meeting minutes, finances, etc...), the evening began with a reminder on how to best clean the nursery toys. Since we currently have only a few kiddos in the nursery the cleaning will be done on an as need basis, plus the regular monthly deep cleaning. Yeah!

Ramona was asked how we could best help her, and in response we organized some cleaning crews to lend her a hand. BTW, we heard that the meals have been a blessing to her and her family... good job ladies.

Missionary Letter

This month we wrote a letter to the Davis', our missionaries to Papua New Guinea. Be sure to check their latest newsletter in the back of the church.

Time in the Word

We read the Easter story from Mark 11-16. Some of the ladies emphasized the following points: God knows all things, we need to know the Cornerstone, Jesus paid a great price, the wickedness of the human condition, and how powerful Jesus' resurrection truly is.

Contest

Tina, Dianna and Carol were the winners of the Mystery Chair Night contest.

Service Project

Susan planned a night of blanket tying. For our service project we made several blankets which are given to children through *Project Linus* (www.projectlinus.org). They turned out so cute and cuddly.

Pray Requests
