

God has blessed us with many years of service to those that join us each Wednesday evening. To continue this ministry we are requesting the support of additional parents who can help out this year assisting the leaders. As a parent, if you would like to volunteer, please contact Commander Mark Schultz

We invite you to attend our Sunday
Worship Service at 11:00 a.m.

Parent/Leader Information Guide

Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth.

2 Timothy 2:15 NKJV

To our Parents:

Welcome to the new Awana year. I'm Mark Schultz, the Awana Commander at Manchaca Bible Fellowship. On behalf of our leaders and helpers, I want to thank you for entrusting your children to this ministry.

Each week your children will work in their handbooks, memorize Bible verses, play games and do other fun activities. We encourage parents to help their children in the effort of memorization. Take some time to look through your child's handbook and help them prepare their sections before coming to club. This not only helps your child, but will benefit your whole family.

Thank you for the opportunity to work with your child. This is going to be a exciting year. Please keep all of our leadership in prayer as we diligently seek to minister to God's precious gift—your children.

Parents! Please come inside each week to pick up your children. We don't want them running into the busy parking lot. Thank you for helping us to keep your children safe.

Registration/Medical Release

Forms must be filled out and turned into the Awana office as soon as possible. This form also lets us know of any allergies or health issues we need to be aware of, in case of emergency. It is very important that we have this information on file with your signature on the form. This is for you child's safety!

Club Uniform

Once your clubber has earned their uniform, they are required to wear each night. They will only be able to receive their awards if they are wearing their club uniform. This also includes special functions such as the Awana banquet.

Discipline

5 Count: This is used throughout the night to get the clubbers attention and to get them quiet to listen to further instructions During game time, bonus points are sometimes awarded to the team that is lined up and quiet first.

3 Count: This is an individual discipline action. When a clubber is uncooperative or disturbing the rest of the group with noise or actions they are given a 1 count.

If the behavior continues after the first warning they are given a 2 count and will need to speak with the commander.

If that doesn't stop the unwanted behavior they are given a 3 count and a parent or guardian will be called to come and pick up that child and speak with the commander.

Weekly Assignments

One of the goals of Awana is to store God's Word in the children's heart. Your child is highly encouraged to work weekly on their memory verses. Practicing our loud with you as a parent will be a great help and benefit to your child as they seek to complete their books. Each clubber is encouraged to prepare and compete at least one section per week. The clubber will recite memory verses aloud to a leader during handbook time to receive credit for the work completed.
